FAQ

We have split the templates into two categories, 'Bare-Bones' and 'Pre-Designed', here they are: Pre-Designed Responsive Email Templates Litmus Responsive Email Templates (7 Templates) Litmus have released a bundle of that been thoroughly 'Litmus-tested'.. With almost 50% of all emails being opened on a mobile device, and with that percentage expected to rise rapidly over the next few years, the importance of using a responsive template for your email marketing campaigns has never been higher.

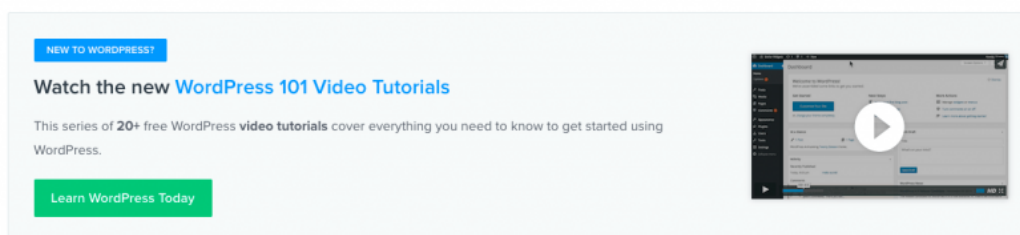

But designing emails that work well across all email clients and also work on all of the various mobile phones and tablets currently available, is even harder.. Thankfully there are a bunch of designers and developers out there that have done most of the work for you, by creating a collection of easy to edit and free responsive email templates that work across all clients and are readable on any device.. As you will probably already know, designing simple cross-client HTML emails is difficult (looking at you Outlook!) in itself.
