[Printer Rip Software For Mac](#)

The screenshot displays the T-RIP 2.0 DTP software interface for an Epson Artisan 1430 printer. The main window shows a job queue on the left and a preview of a page on the right. The job queue lists several 'Page output' tasks, all with a status of 'Complete'. The preview window shows a page titled 'T-SepsFireFighter-SEPS-NoHeader.eps' with the text 'Page 3 - 3-305-Scarlet Red Pantone 185'. The page content features a firefighter in full gear with the words 'FIRE FIGHTERS' and 'RULE' overlaid. Below the preview, a 'Pages...' list shows the job's multi-page structure, with the current page highlighted. A yellow circle highlights the 'Pages...' dropdown menu.

Name	Status	Print Mode
Page output - AAP2...	Complete	1440x720dpi DD HS
